Modular Safari Details

Simba Safari forms the base for many of our adventures in Tanzania. Its shorter version is the Kifaru Safari which omits the day in Tarangire National Park. The Classic Saffron uses the Simba Safari as a start and then includes a built in extension to Zanzibar. Vistas of Plains and Spice combines the Simba Safari with a three night extension in Selous Game Reserve followed by a stay in Zanzibar.

The East African Explorer combines the Kenya Classic with the Simba Safari to create a spectacular Kenya and Tanzania expedition.

Pre-safari accommodation can be booked at an additional cost.
